AMUZMA Elite 35PS Panel Saw

The AMUZMA Elite 35PS is a high-performance panel saw built for large-scale precision. Featuring a standard 3200 mm sliding beam, an expansive 1250 mm rip capacity, and a powerful 5 kW main motor, it easily handles demanding sheet sizing jobs. With its heavy-duty dual-blade system (350 mm main / 0.75 kW scoring) and options for motorized controls, this robust machine delivers flawless, chip-free cuts for high-output professional woodworking.
